Snead.

Information was received here last week of the death of Mrs. John Snead, at Sedalia, Mo. Mrs. Snead was a sister of Mrs. H. A. Price, of this county, and an estimable lady. She had a number of friends and acquaintances here, who regret exceedingly to hear of her death.

Damp Churches.

Quite a number of young men hereabouts hobble around on canes, complaining of rheumatism. Its a pity the churches are so damp. If the sextons would keep a little fire these chilly Sundays it would prevent this ailment.

Boys in Boile.

Danville News:—Rev. John Bruce has sold his fine farm on the Lancaster pike, about three miles from Danville, to Mr. Allen, of Lancaster, for \$9,000. Is everybody moving to Boyle county? Mr. Allen married Miss Laura Baker, who was a pupil at Bell Seminary and has many friends here.

All Members Wanted.

The Rev. James E. Wolford, pastor of the Baptist church, will occupy his pulpit Sunday morning and evening at the usual hours. All members are urgently requested to be present at the morning service. The pastoral year has come to a close and the matter will be decided as to whether the pastor will remain.

Dynamo Repaired.

One of the street dynamos at the electric light plant had to be sent to Louisville last week, and when it was being replaced Saturday night caused some trouble with the house lights. Accidents will happen sometimes, and it is unreasonable to think the light plant should be an exception to the rule. Taking it all in all, we have the best lights of any small town in the state.

A Good Name.

"When I was a boy," remarked Uncle Joe Hopper the other day, "we moulded our own bullets. Sometimes one would get a little cold and mould with a flaw, and we called it 'whopper-jawed,' and we would mould it over. Now I am here after some of these 'whopper-jawed' Presbyterians, and I want you, my son, to take this hint," he said to the editor of THE RECORD.

A Deserving Lady.

Danville Advocate:—Mrs. G. L. Schooler, assistant editor of the Advance-Kentuckian, will be a candidate for Enrolling Clerk of the Lower House of the Kentucky Legislature, should that body be Republican. Mrs. Schooler is a very bright woman and by long odds the best end of the firm of which she is the junior member. Should the Republicans be so lucky as to get the General Assembly, they could do no better than elect Mrs. Schooler.

Many Ladies.

The town was full of ladies Saturday, the millinery openings being the drawing card. Every spring and fall these openings are looked forward to with much pleasure by the women, and they come in droves to see the pretty hats, try them on and either have one laid away or take it home. The local dealers, Noel Sisters and Sallie D. Tillet, have stocks of goods this fall that would do credit to any city, and many compliments have been passed upon the taste displayed in their selection. THE RECORD would advise its readers to see these goods before making purchases elsewhere, as you will find the latest styles and most reasonable prices.

A Plucky Woman.

Danville News:—Mrs. Charles McDowell on Tuesday night showed that she possessed, in full measure, true Kentucky pluck and grit. Judge McDowell was away from home and Miss Lettice Green was spending the night with Mrs. McDowell. The only other occupants of the house were the three McDowell children. Early in the morning one of the children awakened his mother and she found that the light, which was usually burned all night, was out. Slipping quietly out of bed Mrs. McDowell went into an adjoining room, in the dark, took a key from the wall, unlocked the desk and secured the Judge's big pistol. Returning to the bed room she opened a window and let in a faint light. She then saw the shadowy form of a man and fired at it. Instead of the man it was his reflection in a big mirror that she hit. She heard the falling glass and, realizing her mistake, she turned the pistol in the direction of a sound and put three bullets into a door. The burglar escaped unhurt, but it is a safe guess that he was badly scared. Mrs. McDowell was perfectly cool during and after the shooting and showed remarkable nerve, as well as good marksmanship.

ANNOUNCEMENT.

TO THE CITIZENS OF GARRARD COUNTY:

At the practically unanimous demand of my own party and urgent solicitation of other friends, I have at last consented to become a candidate for the office of County Attorney on the Republican ticket.

I had not expected to again ask for the suffrage of my fellow-citizens, but in view of the great number of electors, regardless of their party affiliation, who have seen proper to insist on my nomination, I have, with some reluctance, consented to accede to their request.

In thus again asking the citizens of my county for their support for this, one of the most important offices in the gift of the people, I am not unmindful of the fact that it is an office fraught with the gravest responsibilities and duties, it having not only an important influence on the maintenance of peace and good order throughout the county, but is also perhaps, the most important factor in shaping and controlling the amount of taxes that your Fiscal Court finds it necessary to levy on your property each year to meet the current expenses of your county affairs.

And in this connection, I hope I may be pardoned for referring with some pride to my former administration of this important duty during the term I had the honor to occupy the office, and when, after my repeated assaults on all useless extravagance, and on certain most time honored leaks in your county treasury, the levy necessary to meet all the current expenses of your county, and then leave a handsome surplus in your treasury at the close of the year, was less than one-third, barely more than one-fourth, of the amount of each and every successive levy for county purposes made since my retirement from that position.

And since the late decision of the Court of Appeals that the Court of the city of Lancaster no longer has jurisdiction to try whisky cases, and with blind tigers not only flourishing throughout the county but, with their Government Licenses all over the corporate limits of Lancaster, actually boasting of their dispensing to your sons, each and every week, three barrels of whisky and over two thousand bottles of beer, with the county attorney being hereafter practically the only safeguard to prevent their extending their sphere, and running even wider open than now,—this office is of even greater importance than ever before to such of our parents as wish to protect their boys from this most vicious and destructive influence, and it well behooves them to make no mistake in selecting and deciding who shall hereafter say whether this condition of things shall continue to exist.

With a high conception of the duties of this office, with a higher conception of my obligation to my own and my neighbor's sons, having steadfastly during the twenty-two years of my law practice refused to defend the keeper of a blind tiger, nor in the thirty-nine years of my existence taken a drink of whisky, if honored again by your election to this high trust, I pledge you, that whatever of experience, ability or talent I may possess, shall be exerted to so administer its important duties as to not only encourage and promote peace and good order and a strict obedience to the law throughout the county, but also to prevent any and all illegitimate, improper and unnecessary drains and expenses on your county treasury.

Fearing that pressing business engagements, and the limited time left for my canvass may prevent my seeing each of you personally, I take this method of announcing my candidacy and assuring you that if my candidacy meets with your approval, I shall be very grateful for whatever assistance you may render toward promoting my election.

Respectfully,
Aug 19 1901. W. McC. JOHNSTON.
